# PO Delivery Confirmation

Web and Desktop Applications for Manfact

- Periodically send suppliers the delivery schedule for open purchase orders.

- The application creates Excel spreadsheets, and places them in the BWB Data Store with a separate folder for each Supplier.

- Print and/or e-mail selected spreadsheets to multiple suppliers.

- Various search criteria are provided for locating open Purchase Order records to include on spreadsheets

- Browse to locate and view details of spreadsheets from the BWB Data Store
