Bill of Material Maintenance

Line Type: = Part

Part Number: 1505

Description: COUPLING MOTOR/CLUTCH

Quantity: 1.00

Yield Percent: 100.00

Issue Point:

2 of 45

Features Summary

- View / Edit a Multi-Level Bill of Material
- Spreadsheet Interface for Easy Editing
- Import BOM From Excel or Text File
- Update BOM, ENGBOM, WOBOM Files
- Option to Save to Local Access Database
- Use “Save As” to Copy Between Files
- Create / Update Parts Master Records
- Load a List of Parts for “Mass Update”
- Option to Sequentially Assign Part Numbers
- Support for Custom BOM and Parts Fields
- Print BOM and/or Parts List
- Export BOM and/or Parts List to Excel
- Integrated with Part Number Search
